PROFESSIONAL SUMMARY

Highly motivated Software Engineering student with a robust foundation in JavaScript, Python, HTML, and CSS, passionate about developing efficient and user-centric web solutions. Eager to leverage strong problem-solving, debugging, and collaboration skills in dynamic, agile environments to deliver high-quality, maintainable code. Proven ability to quickly master new technologies.

CORE SKILLS

- **Programming Languages:** Python, JavaScript, HTML, CSS
- **Web Development:** Frontend Integration, Responsive Design, UI/UX Principles
- **Database Management:** MySQL, XAMPP, phpMyAdmin
- **Software Engineering:** Agile Methodology, Version Control (Git/GitHub), Problem-Solving, Debugging, Documentation

ACADEMIC BACKGROUND

Zetech University | Nairobi, Kenya

- **Diploma in Software Engineering** (Attaining) | 2023 – Present
 - **Key Coursework:** Artificial Intelligence, Data Structures & Algorithms, Mobile Programming, Cloud Computing, Entrepreneurship & Innovation.

JAMHURI HIGH SCHOOL | Nairobi, Kenya

- Kenya Certificate of Secondary Education | 2018 – 2021

CHELETA PRIMARY SCHOOL | Nairobi, Kenya

- Kenya Certificate of Primary Education | 2009 – 2017

PROJECT EXPERIENCE

Political Opinion Poll Website (HTML, CSS, JavaScript, PHP, MySQL)

- Engineered a secure login and signup system, leveraging MySQL and XAMPP, ensuring robust user authentication and data integrity.
- Designed and implemented a responsive, user-friendly interface that enhanced data collection efficiency and presented results in a clear, digestible format.

Community Website (Sports, Education, Community Service)

- Developed a responsive, multi-page website showcasing community programs and

activities.

- Implemented a cohesive color scheme and intuitive navigation, significantly improving user experience and engagement.

EXTRACURRICULAR & COMMUNITY INVOLVEMENT

Runda Youth Sports Association (RYSA)

- Active member involved in coding training, community service initiatives, and youth development programs.

Volunteer Projects

- Coordinated and facilitated first aid training sessions.
- Participated in the setup and organization of community libraries.
- Contributed as a sports photographer for various events.
